Handwritten text in a cursive script, likely a letter or document. The text is written on aged, yellowed paper and is oriented vertically. The handwriting is dense and somewhat difficult to decipher due to the cursive style and fading. The text appears to be a personal communication, possibly a letter or a note, with some lines starting with capital letters. The paper shows signs of wear, including creases and discoloration.

Handwritten text on a yellowed page, oriented vertically. The text is written in a cursive script and is mirrored across the page, suggesting it was written on the reverse side and bled through. The page is numbered '2' at the top center. The text is mostly illegible due to the cursive style and bleed-through, but some words and numbers are discernible, such as '70-60', '10-9', and '80-70'. The page is framed by a black border.
